Individual Service

A small depositor sometimes hesitates to ask the serious attention of bank of-ficers. But this bank cordi-ally invites its patrons to confer with the officers relaconter with the olineers rela-tive to any financial matters. It is our conviction that the small depositor often really appreciates our assistance and profits more by it than do our larger patrons.

PEGRAM'S SEMINARY.

Pegram's Seminary, a school for individual study, opened Wednesday, its fourth session at 1603 West Main. This school is filling a long felt want in the community and is run in competition with no other school. Mrs. Eddington, the principal, says, "In my long experience as a teacher in the public schools of Richmond, I came in contact daily with pupils who needed individual instruction; also I have found many young women and men who could command large salaries if they would take a few hours individual instruction from an experienced teacher. My school was established to help these pupils. Only ten are admitted at one time."
